

Tasking Memorandum No: 99-15

Memorandum For: DCMC HQs, Cdrs DCMDs, DCMC CAOs

Subject: Appointment of Year 2000 (Y2K) Points of Contact

Date: October 08, 1998

Suspense date: October 19, 1998

Target Audience: DCMC HQs, DCMD's CDRs, DCMC CAOs

Requirements:

- This task is to identify test support for the Year 2000 (Y2K) operational test of MOCAS. DoD direction requires MOCAS to be tested and certified Y2K compliant by December 31, 1998. The test will be conducted at DSDC in Columbus Ohio, from November 02-13, 1998. Due to the expediency and urgency of the test requirement, personnel with prior test experience are necessary. We request the following personnel.

Kathy Schreiber	DCMDW (Chicago)
Sue Pepper	DCMDW (Chicago)
Bill Luzinski	DCMDW (Chicago)
Lillian Leone	DCMDE (Philadelphia)
Claudia Emery	DCMDE (Philadelphia)
Dave Stafford	DCMDE (Philadelphia)
Clarence Berkey	DCMDE (Cleveland)
Kathy Jenkins	DCMDE (Atlanta)

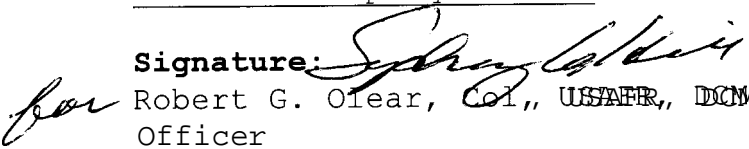

- There will be an orientation beginning on November 02, 1998 at 1300. Be sure the participants are advised the test period does include the holiday, November 11, 1998. Questions regarding the MOCAS test participants can be directed to Dan Moriarty at (614) 692-9206, DSN 850-9206 or dmoriarty@dcdc.dla.mil.

Point of Contact for Further Information:

Capt Flowers, Systems Engineering & Interoperability Team
